

As suppliers of building and civil engineering products Parchem Construction Supplies Pty Ltd do not offer a design service. Information in this drawing is a suggestion only and must not be used for construction except as a signed off drawing by the specifier or contractor

NOTE: The overflow pipe should be located in a reasonably visible location to alert of a potential blockage. It should also be the same diameter as the drainage on the deck.

Overflow Pipe Through Parapet detail
 (c) Pre-formed spitter placed at corner to parapet
