|--------------------|--------------------------|--------------------|
| Infosafe No™ LPT23 | Issue Date : August 2012 | ISSUED by PARCHEMC |
|--------------------|--------------------------|--------------------|

Product Name : **DURAFLOOR LEVEL PRIME**

Not classified as hazardous

1. Identification

| | |
|--|---|
| GHS Product Identifier | DURAFLOOR LEVEL PRIME |
| Company Name | Parchem Construction Supplies Pty Ltd (ABN 80 069 961 968) |
| Address | 7 Lucca Road Wyong NSW 2259 Australia |
| Telephone/Fax Number | Tel: 02 4350 5000 Fax: 02 4351 2024 |
| Emergency phone number | 1800 638 556 (available 24/7) |
| Recommended use of the chemical and restrictions on use | Cementitious flooring |
| Other Information | <p>This MSDS summarises at the date of issue our best knowledge of the health and safety hazard information of the product, and in particular how to safely handle and use the product in the workplace. Since Parchem Construction Supplies Pty Ltd cannot anticipate or control the conditions under which the product may be used, each user must, prior to usage, review this MSDS in the context of how the user intends to handle and use the product in the workplace.</p> <p>If clarification or further information is needed to ensure that an appropriate assessment can be made, the user should contact this company. Our responsibility for product as sold is subject to our standard terms and conditions, a copy of which is sent to our customers and is also available upon request.</p> <p>www.parchem.com.au</p> |

2. Hazard Identification

| | |
|--|---|
| GHS classification of the substance/mixture | <p>Not classified as Hazardous according to the Globally Harmonised System of Classification and labelling of Chemicals (GHS) including Work, Health and Safety regulations, Australia</p> <p>Not classified as Dangerous Goods according to the Australian Code for the Transport of Dangerous Goods by Road and Rail. (7th edition)</p> |
|--|---|

3. Composition/information on ingredients

| Ingredients | Name | CAS | Proportion |
|-------------|--|-----|------------|
| | Ingredients determined not to be hazardous, including water. | | 100 % |

4. First-aid measures

| | |
|-----------------------------|--|
| Inhalation | If inhaled, remove affected person from contaminated area. Keep at rest until recovered. If symptoms persist seek medical attention. |
| Ingestion | Do not induce vomiting. Wash out mouth thoroughly with water. If symptoms develop seek medical attention. |
| Skin | Wash affected area thoroughly with soap and water. If symptoms develop seek medical attention. |
| Eye contact | If in eyes, hold eyelids apart and flush the eyes continuously with running water. Continue flushing for several minutes until all contaminants are washed out completely. If symptoms develop and persist seek medical attention. |
| First Aid Facilities | Eyewash and normal washroom facilities. |
| Advice to Doctor | Treat symptomatically. |
| Other Information | For advice in an emergency, contact a Poisons Information Centre (Phone Australia 13 1126; New Zealand 0800 POISON / 0800 764 766) or a doctor at once. |

5. Fire-fighting measures

| | |
|-------------------------------------|--|
| Suitable extinguishing media | Use appropriate fire extinguisher for surrounding environment. |
|-------------------------------------|--|

| | | |
|--------------------|--------------------------|--------------------|
| Infosafe No™ LPT23 | Issue Date : August 2012 | ISSUED by PARCHEMC |
|--------------------|--------------------------|--------------------|

Product Name : **DURAFLOOR LEVEL PRIME**

Not classified as hazardous

| | |
|---|--|
| Hazards from Combustion | Under fire conditions this product may emit toxic and/or irritating fumes including carbon monoxide, carbon dioxide and monomer vapours. |
| Products | |
| Specific hazards arising from the chemical | This product is non-combustible. However, following evaporation of aqueous component under fire conditions, the non-aqueous component may decompose and/or burn. As a water based product, if spilt on electrical equipment the product will cause short-circuits. |
| Precautions in connection with Fire | Fire fighters should wear Self-Contained Breathing Apparatus (SCBA) operated in positive pressure mode and full protective clothing to prevent exposure to vapours or fumes. Water spray may be used to cool down heat-exposed containers. |

6. Accidental release measures

| | |
|-----------------------------|---|
| Emergency Procedures | Wear appropriate personal protective equipment and clothing to minimise exposure. Increase ventilation. If possible contain the spill. Place inert absorbent material onto spillage. Collect the material and place into a suitable labelled container. Do not dilute material but contain. Dispose of waste according to the applicable local and national regulations. If contamination of sewers or waterways occurs inform the local water and waste management authorities in accordance with local regulations. |
|-----------------------------|---|

7. Handling and storage

| | |
|---|--|
| Precautions for Safe Handling | Use only in a well ventilated area. Keep containers sealed when not in use. Prevent the build up of mists or vapours in the work atmosphere. Avoid inhalation of vapours and mists, and skin or eye contact. Maintain high standards of personal hygiene i.e. Washing hands prior to eating, drinking, smoking or using toilet facilities. |
| Conditions for safe storage, including any incompatibilities | Store in a cool, dry, well-ventilated area, out of direct sunlight. Store in suitable, labelled containers. Keep containers closed when not in use. Ensure that storage conditions comply with applicable local and national regulations. |

8. Exposure controls/personal protection

| | |
|---|---|
| Occupational exposure limit values | No exposure standards have been established for the mixture by Safework, Australia. However, over-exposure to some chemicals may result in enhancement of pre-existing adverse medical conditions and/or allergic reactions and should be kept to the least possible levels. |
| Biological Limit Values | No biological limit allocated. |
| Appropriate engineering controls | Use with good general ventilation. If mists or vapours are produced, local exhaust ventilation should be used. |
| Respiratory Protection | If engineering controls are not effective in controlling airborne exposure then an approved respirator with a replaceable mist filter should be used. Reference should be made to Australian/New Zealand Standards AS/NZS 1715, Selection, Use and Maintenance of Respiratory Protective Devices; and AS/NZS 1716, Respiratory Protective Devices, in order to make any necessary changes for individual circumstances. |
| Eye Protection | Safety glasses with side shields or chemical goggles should be worn. Final choice of appropriate eye/face protection will vary according to individual circumstances. Eye protection devices should conform with Australian/New Zealand Standard AS/NZS 1337 - Eye Protectors for Industrial Applications. |
| Hand Protection | Wear gloves of impervious material. Final choice of appropriate gloves will vary according to individual circumstances i.e. methods of handling or according to risk assessments undertaken. Reference should be made to AS/NZS 2161.1: Occupational protective gloves - Selection, use and maintenance. |
| Body Protection | Suitable protective work wear, e.g. cotton overalls buttoned at neck and wrist is recommended. Chemical resistant apron is recommended where large quantities are handled. |

9. Physical and chemical properties

| | |
|----------------------|----------------------------|
| Appearance | White liquid |
| Odour | Slight acrylic-like odour. |
| Melting Point | Not available |

| | | |
|--------------------|--------------------------|--------------------|
| Infosafe No™ LPT23 | Issue Date : August 2012 | ISSUED by PARCHEMC |
|--------------------|--------------------------|--------------------|

Product Name : **DURAFLOOR LEVEL PRIME**

Not classified as hazardous

| | |
|---|-----------------|
| Boiling Point | 100°C (water) |
| Solubility in Water | Miscible |
| Specific Gravity | 1.02 (23°C) |
| pH | Not available |
| Vapour Pressure | Not available |
| Vapour Density (Air=1) | Not available |
| Odour Threshold | Not available |
| Viscosity | Not available |
| Partition Coefficient: n-octanol/water | Not available |
| Flash Point | Not applicable |
| Flammability | Non-combustible |
| Auto-Ignition Temperature | Not applicable |
| Flammable Limits - Lower | Not available |
| Flammable Limits - Upper | Not available |

10. Stability and reactivity

| | |
|---|---|
| Reactivity | Reacts with incompatibles |
| Chemical Stability | Stable under normal conditions of storage and handling. |
| Conditions to Avoid | Extremes of temperature and direct sunlight. |
| Incompatible Materials | Strong oxidizing agents. |
| Hazardous Decomposition Products | Thermal decomposition may result in the release of toxic and/or irritating fumes. |
| Possibility of hazardous reactions | Reacts with incompatibles. |
| Hazardous Polymerization | Will not occur. |

11. Toxicological Information

| | |
|----------------------------------|--|
| Toxicology Information | No toxicology data available for this product. |
| Ingestion | Ingestion of this product may irritate the gastric tract causing nausea and vomiting. |
| Inhalation | Inhalation of product vapours may cause irritation of the nose, throat and respiratory system. |
| Skin | May be irritating to skin. The symptoms may include redness, itching and swelling. |
| Eye | May be irritating to eyes. The symptoms may include redness, itching and tearing. |
| Respiratory sensitisation | Not expected to be a respiratory sensitiser |
| Skin Sensitisation | Not expected to be a skin sensitiser |
| Germ cell mutagenicity | Not considered to be a mutagenic hazard |
| Carcinogenicity | Not considered to be a carcinogenic hazard |
| Reproductive Toxicity | Not considered to be toxic to reproduction |

| | | |
|--------------------|--------------------------|--------------------|
| Infosafe No™ LPT23 | Issue Date : August 2012 | ISSUED by PARCHEMC |
|--------------------|--------------------------|--------------------|

Product Name : **DURAFLOOR LEVEL PRIME**

Not classified as hazardous

| | |
|-------------------------------|---|
| STOT-single exposure | Not expected to cause toxicity to a specific target organ |
| STOT-repeated exposure | Not expected to cause toxicity to a specific target organ |
| Aspiration Hazard | Not expected to be an aspiration hazard |

12. Ecological information

| | |
|--------------------------------------|--|
| Ecotoxicity | No data is available for this material. |
| Persistence and degradability | Not available |
| Mobility | Not available |
| Bioaccumulative Potential | Not available |
| Environmental Protection | Prevent this material entering waterways, drains and sewers. |

13. Disposal considerations

| | |
|--------------------------------|--|
| Disposal Considerations | Dispose of waste according to applicable local and national regulations. |
|--------------------------------|--|

14. Transport information

| | |
|------------------------------|---|
| Transport Information | Road and Rail Transport: Not classified as Dangerous Goods according to the Australian Code for the Transport of Dangerous Goods by Road and Rail (ADG Code) (7th edition). Marine Transport (IMO/IMDG): Not classified as Dangerous Goods by the criteria of the International Maritime Dangerous Goods Code (IMDG Code) for transport by sea. Air Transport (ICAO/IATA): Not classified as Dangerous Goods by the criteria of the International Air Transport Association (IATA) Dangerous Goods Regulations for transport by air. |
| IMDG Marine pollutant | No |

15. Regulatory information

| | |
|-------------------------------|--|
| Regulatory Information | Not classified as Hazardous according to the Globally Harmonised System of Classification and labelling of Chemicals (GHS) including Work, Health and Safety regulations, Australia Not classified as a Scheduled Poison according to the Standard for the Uniform Scheduling of Medicines and Poisons (SUSMP). |
| Poisons Schedule | Not Scheduled |
| AICS (Australia) | All components of this product are listed on the Australian Inventory of Chemical Substances (AICS) or exempted. |

16. Other Information

| | |
|--|---|
| Date of preparation or last revision of SDS | SDS reviewed: August 2012 Supersedes: January 2008 |
| Contact Person/Point | Technical Support: 1800 812 864 ...End Of MSDS... |
