

Emer-Seal® Backing Rod

Economical, low density, open cell, polyurethane, sealant backing rod range

Uses

- Time saving – its flexibility, elasticity and round shape allows quick, efficient placement into both even and uneven joints. It can be stretched, squeezed or bent to conform to irregular surfaces. One size of diameter foam can be used in a range of joint sizes
- Optimal sealant curing – open cell construction allows air to reach both sides of the sealant, ensuring uniform curing

Properties

Emer-Seal Backing Rod is fabricated from medium density polyurethane foam (Grade N31-320). It is orange in colour. Detailed specification and Safety Data Sheets are available on request.

Estimating

Packaging

Backing rod is available in 6 different sizes. 10 mm, 16 mm, 22 mm, 29 mm, 38 mm and 50 mm.

Storage

12 months when stored in cool, dry conditions.

Emer-Seal® Backing Rod

Important notice

A Safety Data Sheet (SDS) and Technical Data Sheet (TDS) are available from the Parchem website or upon request from the nearest Parchem sales office. Read the SDS and TDS carefully prior to use as application or performance data may change from time to time. In emergency, contact any Poisons Information Centre (phone 13 11 26 within Australia) or a doctor for advice.

Product disclaimer

This Technical Data Sheet (TDS) summarises our best knowledge of the product, including how to use and apply the product based on the information available at the time. You should read this TDS carefully and consider the information in the context of how the product will be used, including in conjunction with any other product and the type of surfaces to, and the manner in which, the product will be applied. Our responsibility for products sold is subject to our standard terms and conditions of sale. Parchem does not accept any liability either directly or indirectly for any losses suffered in connection with the use or application of the product whether or not in accordance with any advice, specification, recommendation or information given by it.
