

Fast Clip-On Bar Chairs

Uses

- Precast and Tilt-Up
- Suspended decks
- Beams, walls and panels

Applications

- Suspended Decks
- Precast Beams
- Walls
- In Situ Beams
- Precast Panels

Description

The extensive range of Fast Clip-on Barchairs (FCB's) are designed to make steelfixing and traceability easier, with each chair identified by cover.

They are made from quality materials and come in two head sizes to accommodate different bar sizes, one for bar 4mm to 20mm and the other for bar 20mm to 36mm. The convenient, economical range is designed for minimal exposure and coloured grey to match the concrete.

Greater stability and less exposure can be achieved where necessary with the use of clip-in bases, available in two heights, 15 and 25mm.

Advantages

- GREY - To match concrete
- TWO HEAD SIZES - Takes from 4mm to 36mm bar
- EASY CLIP-ON - For easier steelfixing
- RUST FREE - Avoids rust migration
- CLIP-IN BASES - Also available
- MINIMAL EXPOSURE - Small foot configuration

Supply

Both head sizes available in 15, 20, 25, 30, 35, 40, 45, 50, 60, 65 and 75mm cover.

-Bases allow extra heights of 15 and 25mm. (Suits mesh chairs as well.)

Fast Clip On Bar Chairs

Properties

Small Head for 4mm - 20mm bar

P/Code	Cover	Mass p/bag (kg)
FCB15	15	0.8
