

## Panel Accessories

### Ferrule Quick Fix Locator

Pushes into the ferrule and releases when the panel is lifted. A special built-in seal prevents slurry leakage into the ferrule. The 45mm square base can be nailed, or will accommodate double sided tape, which can be cut from standard strips.

#### Properties

P/Code	Qty per box	Mass kg per 100
FWQF12 (Red)	100	0.6
FWQF16 (Green)	100	0.6
FWQF20 (Blue)	100	0.6

### Nailing Plates

Screws into the ferrule and mechanically fastened to the formwork. Popular sizes are also available with built-in antennae for easy location of plates after casting. Where coil threaded ferrules are used at bracing locations, a special nailing plate is available.

#### Properties

P/Code	Qty per box	Mass kg per 100
FWNP12 (Red)	100	0.9
FWNP16 (Green)	100	1.0
FWNP16A (Lime Green)	100	1.0
FWNP20	100	1.0
FWNP20A	100	1.0
FWNP20C (Brown)	100	1.0
FWNP24 (Yellow)	100	1.0

A = Available with built-in Antenna.  
C = Suits coil thread.

# Pannel Accessories

## Ferrule Locators

Can be nailed or glued. Smaller in diameter than glue-on or nailing plates and locates ferrules closer to the surface. Available as a screw-in type only.

### Properties

P/Code	Qty per box	Mass kg per 100
FWfl16 (Green)	100	0.3
FWfl20 (Blue)	100	0.4
FWFL24 (Yellow)	100	0.6

## Glue-On Plates

Connects to formwork with double sided tape and screws into ferrule. The recess on the bottom side of the base allows for easy removal after the panels have been lifted.

### Properties

P/Code	Qty per box	Mass kg per 100
FWGP12 (Red)	100	1.1
FWGP16 (Green)	100	1.2
FWGP20 (Blue)	100	1.2
FWGP24 (Yellow)	100	1.2

## Glue-On spots and strips

Strong double sided adhesive approximately 1mm thick. Comes complete with backing strips to allow pre-fixing to plates and locators.

### Properties

P/Code	
FWGSPOT	(APPROX. 58mm Dia.) Sold in quantities of 100
FWGSTRIP	(40.5mm wide x 66m rolls)
FWGSQR	(45mm x 45mm) Sold in quantities of 100

### Important notice

A Safety Data Sheet (SDS) and Technical Data Sheet (TDS) are available from the Parchem website or upon request from the nearest Parchem sales office. Read the SDS and TDS carefully prior to use as application or performance data may change from time to time. In emergency, contact any Poisons Information Centre (phone 13 11 26 within Australia) or a doctor for advice.

### Product disclaimer

This Technical Data Sheet (TDS) summarises our best knowledge of the product, including how to use and apply the product based on the information available at the time. You should read this TDS carefully and consider the information in the context of how the product will be used, including in conjunction with any other product and the type of surfaces to, and the manner in which, the product will be applied. Our responsibility for products sold is subject to our standard terms and conditions of sale. Parchem does not accept any liability either directly or indirectly for any losses suffered in connection with the use or application of the product whether or not in accordance with any advice, specification, recommendation or information given by it.
